

Alisa Bennett, FSA, EA, MAAA, FCA

President and Consulting Actuary

CavMac

Kennesaw, Georgia

Alisa Bennett is a president and consulting actuary at CavMac. She has over 30 years of experience consulting with governmental plans. Bennett is experienced in the preparation of annual valuations; proposed legislation pricing; actuarial audits; experience studies; special cost studies; health claims underwriting; and the design, administration and funding of public retirement plans and health plans. She also consults with Medicare Part D plans about Attestations of Actuarial Equivalence, RDS application assistance and general strategic advice. Bennett has extensive experience evaluating other postemployment benefits (OPEB). She has conducted initial evaluations under GASB Statements 74 and 75 for many local municipalities, counties, and state-level plans and employers. In addition, she has helped many of these plans and employers develop strategies to manage their OPEB liability and expense. Bennett is a graduate of the University of Georgia where she earned a B.S. degree as well as an M.A. degree in mathematics.
