

Eric Miller, FSA, CERA, MAAA

Vice President and Consulting Actuary

Segal

New York, New York

Eric is a vice president and consulting actuary in the national health consulting and analytics practice at Segal, where he provides thought leadership and oversees Segal's health actuarial models. He has expertise in investigating trends, benefit pricing, evaluating medical networks, provider contracting, and alternative payment models. Eric has been with Segal for five years. Prior to joining Segal, Eric spent ten years at regional Health Plans, where he was responsible for pricing commercial and ACA products, managing analytic teams for medical management and provider contracting, performing the IBNR calculations, and modeling value-based payment arrangements. Eric received a B.S. degree in applied mathematics from the University of New Mexico. He is a Fellow of the Society of Actuaries, a Chartered Enterprise Risk Analyst, and a Member of the American Academy of Actuaries.
